COUSUL OF UNITED

STATES ARRESTED

Port of Spain, Trinidad, March 17 (via Haylien cable.)—News has reached here that the United States consular agent at Barcelona, Venezuela, Ignaclo H. Baiz, has been arrested by Venezuelan officials and imprisoned without adequate cause. This is the second time he has been treated in this fashion within the last five months and he will resign unless protected by the Washirgton government. It appears that several sums of money have been forced from him by Venezuelan officials under threat of imprisonment. The protests of Mr. Baiz to Washington seem to have been met with no response thus far. Three months ago Mr. Loomis, the United States minister at Caracas, made a demand upon the Venezuelan government for an apology for the first outrage, but his communication was quite ignored.
